

"Shot through the Hart"

Second Annual Disc Golf Tournament

The rules are quite similar to the rules used in the game of "Club Golf", including the matter of courtesy. It is only fair that your opponent's turn to throw be without distraction, just as you would like it to be for yours. Do not throw your disc until you are sure its flight or landing, will not distract another player. Each hole starts with a tee-off, followed by subsequent throws until players reach the basket. Scoring is the same as ball golf. A stroke is counted each time the disc is thrown and when a penalty is imposed. Strokes are totaled to arrive at the game score. The player with the lowest score in their division is the champion.

Discs – Only PDGA approved discs are allowed at this tournament. No Frisbees or over/under sized discs allowed. Every disc you throw must have a unique marking that identifies it as your own. It's suggested you put your name and phone number on it so that a lost disc may be returned.

Baskets – This tournament will use PDGA approved Innova Discatcher baskets. These baskets were made possible by sponsorship funding provided by local businesses and organizations. Please treat the baskets with care and respect.

See PDGA RULES <http://www.pdga.com/rules>

Tee off order on the first tee will be by mutual arrangement or by flipping discs. The printed side is heads and the odd man should be first. Tee off order on all subsequent holes is determined by the score on the previous hole. The player with the lowest score tees off first.

- Stop moving and talking when another player reaches the tee pad. He/she may not seem ready to throw, but everyone has their own pace and focus strategy and deserves silence and stillness when it's their turn. Same goes for putts and to a lesser degree upshots, since you may be standing far apart in the middle of a long fairway.
- Stay perceptively behind the disc of whoever is out (the player whose disc is furthest from the hole). This one is obvious, but also easy to violate.

A marker disc is used to mark every throw and is provided in everyone's player's pack. The thrown disc is always left on the lie, (where it came to rest,) until the marker disc is placed on the ground directly in front of and touching the disc. The thrown disc is then picked up.

Proper foot placement when throwing will require some practice. The foot that you put your weight on when you throw, i.e., the "plant" foot, must be as close as is reasonable to the front line of the tee or to the marker disc: in no case ahead of the line or disc, or more than 12 inches behind the line, or disc. The other foot can be any place you choose as long as it is no closer to the hole than the rear of the marker disc.

Follow through, (stepping past marker disc after throwing), is allowed on any throw except when putting, (any throw where the rear of the marker disc is within 33 feet, approx 11 paces, of the hole). Falling forward to keep your balance after a putt is not allowed. This infraction is called a falling putt. If the disc is stuck in a tree or a bush more than 2 meters above the ground, the marker disc is placed exactly beneath it and it is carefully removed from the tree. You may now proceed; however, take extreme care not to damage the tree or bush, or reshape them in any way to improve your throwing conditions.

Out-of-Bounds – This tournament will have some out of bounds added to ensure safety of participants and ski hill equipment. See the map and the description and be aware of where they are. If your disc is "out-of-bounds", i.e., you can see "out-of-bounds" area between the edge of your disc and the "inbounds" line, place your marker disc "inbounds" at the place where your disc went "out-of-bounds" and give yourself a one throw penalty.

Relief: If a disc goes out-of-bounds or is within 3 feet of out-of-bounds, relief is taken by moving the disc up to 3 feet away from the OB perpendicular to the basket location. This permits the thrower to have a solid footing in-bounds while throwing. If your disc is in-bounds but within 3 feet of OB, there is no throw penalty for taking relief.

Wildlife: This course is in a wildlife corridor in an unpopulated area. There is the possibility of wildlife encounters. A non-aggressive, resident bear has been known to hang out in the area, so please be bear aware.

Unsure about a lie? If you are unsure if a throw is OB, or how to play a hole, you can ask your card mates. If there isn't a consensus, you can play a provisional throw. You will then complete the hole two

ways until a tournament director informs you of the correct call. Taking a picture as evidence can help the TDs make a favourable call.

All throws count as a stroke: Once the round officially begins, all throws count as a stroke. That means you can't throw a disc to your buddy, or double putt at the completion of the hole. No practice throws allowed once play begins. It's also a speed of play violation.

Scorecards: Every player in your group will keep track of another person's. Everyone is to keep track of how many throws they have taken and report it to the player keeping your score. You must sign your scorecard as acknowledgment of its validity. Scorecards will be collected at lunch and given back before round 2. Feel free to keep track of card scores on UDisc App.

Scorecard errors, including addition errors, will result in you receiving the proper score PLUS a 2-stroke penalty.

Washrooms – Washrooms are at the clubhouse. Please keep the building clean.

Tournament Directors – The tournament directors have final say over issues with OB, scoring, division categories, etc. As this is a temporary course, there are going to be things we could not have accounted for. We hope this will be an enjoyable experience for all!

Leave it better than you found it. Please respect the golf course and do not litter. Littering is an infraction. There are garbage cans on most golf tee off boxes. No open alcohol on the course. Beverages are available in the clubhouse.

MAP

CTP/Longest Drive/Longest Putt

Additional prizes have been provided by local businesses for various CTP/Longest Drive/Longest putt. Every hole will have a prize to be won.

COVID Policy

These are the protocols and procedures set up by the tournament directors to comply with COVID restrictions and recommendations. Please respect these items; blatant disrespect could lead to dismissal.

- Registration:
Outside (inside if raining) the clubhouse
Register one at a time. This means you should plan to arrive at a time that allows us to get everyone through so that we can start on time. Don't arrive at the end of registration.
- Masks available at registration
- Clear your own disc out of the basket. Avoid picking up another player's disc.
- Practice suggestions:
 - Don't grab other people's discs.
 - Space yourselves.
 - Take turns of smaller numbers of people putting at the same time.
- Players can be asked to mask, call 8-1-1 and leave the facilities for showing signs, failing temperature screen or otherwise not abiding by COVID policy
- Try not to congregate in large groups. This means hanging out at the registration table, spread out numbers among the practice baskets, etc.

Schedule

Sunday, September 11, 2020

8:15am- 9:00am Check-In

9:00am – 9:15am Players meeting (mandatory)

9:30am -12:00pm Round 1

12:00pm- 1:00pm Lunch (included)

1:00-1:15pm Player meeting (mandatory)

1:30pm- 4:00pm Round 2

4:15pm Trophies
